## THE GREATEST LOVE OF ALL!

I enjoy sex as much as the next girl, and I'm getting plenty – but I love to masturbate as well. I frig off practically every day, and it feels wonderful in a whole different way to screwing my man. My preferred technique is to sit naked on the edge of the bed, and diddle my pussy while watching myself in the mirror.

As I rub my clitoris with the middle finger of my right hand, I watch my twat visibly flushing with excitement in the mirror. It really does get pinker by the second. I open my legs wider to get a better view of my pussy lips, between which I slide a finger. I go deeper inside myself, then do the same with two fingers. It's all about ratcheting up the thrill bit by bit, and it takes a while before I'm ready to swoosh three fingers in and out of my hole. By that time my pussy will be so juicy, and I'll be feeling and looking like such a nasty slut. A slut fit to receive the full four-finger treatment, because I'll be wet enough to fit almost half my hand in my box.

**Vibro-fucking myself to a delicious orgasm, I'll simultaneously caress my clit with my free hand**

So, having started quite slowly, I always work up to a frenzy of frigging. My whole body trembles, and my hand looks like it's wearing a glistening glove of cunt juice. So far, so nasty – but I have to take it further. I'm ready for the vibrator.

I take my vibe from the nightstand, click it on and lie back with my legs akimbo. In goes the vibrator, all the way, buzzing away at maximum power. In case you don't know, these things often have different settings. Perhaps that comes in handy for some people, but I for one can never figure out why a girl would use a vibrator on level one when she can go up to three!

So I'm vibro-fucking myself, well on the way to a delicious orgasm, and maybe I'll simultaneously caress my clit or one of my tits with my free hand, or if I'm feeling really wicked, probe my butthole with a finger. Often I'll barely be aware of what I'm doing, so lost am I in my private world of pleasure. Whatever it is, it's only going to feel super-nice! Nice enough to make me climax, each time better than the last.

It so happens that I live in a condo, and I know that this buff dude who lives opposite me has a clear view of my mirror from his window. Sometimes I'm aware of him intently watching me play with myself, which is such a turn-on. I'm sure he's beating off while watching me getting off, but he need never know that I know. Even if my privacy's only partial, and even if thousands of people will read this letter about my sexual obsessions, a girl's got to have some secrets.

*Self-Lover, South Dakota.*

**I'm still whacking off over those pics of nasty Natalie poking her poon with that plastic prong** *(Last issue – Editor Chainsaw)*, **and right now I'm taking time out to tell you about it.** To see that sex toy sliding into Natalie's sweet snatch is a wondrous sight that stiffens my cock each time I look at it. Natalie's cute girl-next-door looks have a lot to do with it. And as for those perky natural tits of hers – I'd so love to have her kneading them around my face while my fingers get busy in her pussy. There I am again already – back at Natalie's pussy. I'd give that creamy clam a good licking and a probing with my tongue, getting her good and ready for when I'm ready to plow her with my prong. There'd be plenty to do before that, though, like for instance smearing her nipples with her coochie juice, and having her suck on them while I go down on her some more. These small town girls – they're the greatest!

NASTY GIRLS WANT YOU!

Let's face it – if you were as fortunate as Matt here, and you had a big ol' bone, and handy access to two chicks as hot as Carla and Lucy to gratify it, you'd seize the opportunity, right? Because what's the point in having these unfair advantages in life if you can't exploit them to the utmost? Human nature, and all that. Carla and Lucy would concur with that. They also consider themselves blessed, given that they get to take turns on Matt's man-meat, as well as feel up each other's foxy frame. It's all about sharing, you see. Give and take, ebb and flow, cock and cunt... Things go better with red-hot fucking. ♣

NASTY GIRLS, WILD MOVIES AND WEIRD SHIT! BROUGHT TO YOU BY THOMAS NEWTON

## RAWHIDE!

Vivid's English contract performer Nikki Jayne won the Miss *XBIZ* Summer 2008 crown, beating out a competitive field of nine other contestants for top honors. Her prizes included $1,000 in cash, as well as an opportunity to represent the next *XBIZ* Summer Forum show in a year-long promotional campaign.

Nikki won with a touch of English charm, telling the judges that she deserved to win because she was the "freshest face in porn." But what ultimately earned her the winner's tiara was her confident stripper strut in a white crocheted bikini, and a dance performance outfitted as a sexy cowgirl.

"I wore a cowgirl hat to get attention, and to show how much I love America," said the British bombshell, our last issue's porn star interviewee. "Winning this title shows that this is going to be a lucky country for me!" Of course, luck has nothing to do with it.

The contest's runner-up was DarkCircusCash.com's Alyssah Simone, and third place went to Adam & Eve contract star Kayden Kross. Other contestants included Sunny Lane, Joanna Angel, Penny Flame, Renee Perez, Trisha Uptown, Puma Swede and Moxxie Maddron. ♣

## EAT YOUR MEAT!

In the land of creampies and milky maids, performers Veronica Rayne and Jack Vegas have opened Oxygen, a "porn-friendly" restaurant in the Tarzana section of Porn Valley. The restaurant offers a full menu until 11pm, six nights a week, including everything from steak to cheesecake. It features themed nights, such as Game Night, Sex in the City Night, Industry Night, Rock Out '80s Night and Lounge Night.

"This has been a lifelong dream for me," said Veronica, who, like Jack, has had several years' experience working in nightclubs and bars. "I'm happy that I can pursue both of my dreams, to perform in adult movies and open my own restaurant, at the same time." Here at *CI*, we think mixing porn and XXX is a grand idea, as long as no confusion arises. Otherwise we won't be ordering the creamy sauce. ♣

"You have a reservation, you say? We have no reservations whatsoever!"

## RENAISSANCE WOMAN!

Over the years, Savanna Samson has exposed herself in many different ways. The porno performer's also been a sex advice columnist for *Men's Fitness* magazine, a contributor to the book *How to Have a XXX Sex Life* and a wine entrepreneur with her own company, Savanna Samson Wines. Well, now she's a recording artist too. At a special performance at Exxxotica New York, the Vivid Girl unveiled the title track to her debut album *Possession* with a pole dance. "It's gonna make you want to have sex," Savanna told Howard Stern on his radio show. "I'm going to shoot a hardcore music video for my adult fans."

See how she ties all those separate career strands together? Who else does that? ♣

## NEW ANGEL!

At the premier for *Pirates II: Stagnetti's Revenge*, Digital Playground CEO Samantha Lewis saw something she liked – and immediately went out and got it. We're referring to Angelina Armani, the five-foot-ten blonde New Yorker who shortly afterward became the latest addition to DP's roster of exclusive performers, joining Jesse Jane®, Shay Jordan™, Katsuni, Stoya™, Gabriella Fox™ and Riley Steele™. "I was blown away by the attention that Angelina commanded while walking the carpet," Lewis said. "All the cameras were glued to her, and she handled them like a pro."

Angelina herself commented, "They said I rocked the red carpet. It was a great night!"

While there was no immediate word on what Angelina's first movie for her new company would be, DP founder Joone said, "I can't wait to get her in front of the camera. Angelina radiates pure sexuality that will brilliantly translate to her movies and photos."

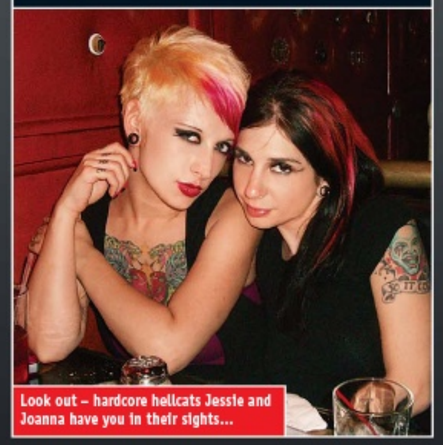
For proof of that, turn to page 18 of this very issue! ♣

Told you Angelina was tall – her head's poking out of the top of this box!

## ANGELS AFLAME!

If you get a burning sensation while watching the video for Buckcherry's *Too Drunk* from their new *Black Butterfly* album, that'll be down to all the Burning Angel babes featured heavily in the footage. Those girls? Jessie Lee, Nicole, Dusty, Bella Vendetta and Burning Angel boss Joanna Angel herself. While a censored version of the video was cut for mainstream outlets, a more explicit version has also been making the rounds.

"The directors of the video let me shoot a lot of the footage, and that was awesome," Joanna said. "Me and the girls basically hung out in a hotel room and made out with each other for a few hours, and filmed it. It was a lot of fun." It shows! ♣



Look out – hardcore hellcats Jessie and Joanna have you in their sights...

## REVEILLE FOR VV!

In what some insiders saw as a stunning upset, Vicky Vette edged out megastar Tera Patrick to claim the annual Booble Girl of the Year prize. "I attribute it to the fans coming out in droves," commented Vicky. "The last day, the Vette Nation Army was kicking ass and taking names."

As the contest, which is decided by fan voting, came to a close, Tera publicly offered to contribute $5,000 to charity if she won. Vicky responded with a bulky press release that said, among hundreds of other things, "While the porn world was sleeping I was texting, messaging and bulletining my fans all over the world, one by one, vote by vote." Vicky said that she plans to take a short break, then "start promoting the AIDS Walk here in Atlanta like crazy. It's really important to me. I'm inviting fans, website members, all the people I know on the internet, to come and do the walk with me, and everybody can contribute." So next time General VV calls her troops to arms – and feet – a charitable cause will benefit. ♣

We'll walk with Vicky!

## KAYDEN AND ANGELINA? IT'S DEFINITELY A LOVE THING!

PHOTOGRAPHY: MICHAEL BISCO

These two stunning blonde sex flick stars were just made for each other. Individually, they look fantastic. Together in the utmost intimacy, they're off the scale. Who are we talking about? Why, none other than Kayden Kross, Adam & Eve contract star (on the left in these pictures), and Angelina Armani, Digital Playground contract star (right). Each of the sultry sirens has clearly inflamed her partner with lust, and they deliriously take turns giving and receiving pleasures of the lesbo kind.

"God, babe, you're so fucking good at this," says one chick to the other, who replies, "That's because I'm working with the best materials. Meaning you, sweetie!" But which one is which, we really couldn't say. It's a blondestorm! ♣

# BROOKE BELLE BAD BABE!

## THAT'S BELLE – WHEN SHE'S GOOD, SHE'S GOOD, AND WHEN SHE'S BAD, SHE'S EVEN BETTER!

Brooke Belle is pure porn. A hot 32D-25-34 blonde from Southern California who'll do pretty much everything for the cameras, Brooke has proven to be a natural since entering the adult business in 2007. In this photoset, porn stud Barrett Blade is the beneficiary of Brooke's sex skills. No one could be more amenable than Ms Belle, as *CI*'s Eliza Starr found out for herself when the two enjoyed the following conversation…

***CI:* Brooke, how did you begin your wild and crazy ride in the adult industry?**
*Brooke:* I was always interested in the business, so I wanted to appear in all the magazines. I explored the adult industry, and hooked up with a talent agency.
I was always pretty sexual and promiscuous. I was a little slut, and my very first sexual experience was actually with another girl. In general I was more into guys because that's what the norm was, but I still always liked girl/girl porn and masturbated to that most of the time.

**Do you still like to masturbate?**
God, yes! I'll have masturbation marathons where I'll just sit and spend like three hours making myself cum. I think the most was like 18 times. When I do marathons is when I start squirting, that's the only time. When I masturbate I use toys – I like vibrators, dildos, everything. I like my showerhead! I have a couple – one's flexible and one's stationary, and they have multiple speeds, but they usually get me into trouble and make me late for everything. I get in the shower before I go to work, and figure I'll just have one orgasm, and then two, and then three and then four…

**Do you fantasize?**
I'm in the moment, so I use whatever, it may be porn, or if I'm just really horny and I'm thinking about somebody, I'll think about that one person. If I've already slept with them I'll think about the times we were together. Not really fantasies, though – I think I've done almost everything, so it's hard for me to fantasize. I'm sure there are still some things, but nothing I can think of. I've been with a married couple – I was actually part of their marriage, that was pretty spicy – I've had sex during a football game; I've done role-playing; I've been with two guys – I love it all.

**What are your boundaries?**
In porn, I have a few, but at home I don't think I have any. I'm open-minded! At home I do anal, but not on camera – I'm saving it for my website. I play with my ass a lot, and I've done an anal toy scene, but that's it. I love it, though. I was probably a little dirtier off the camera before I started porn just because of the people I'd been with. I only show so much on camera. I love outdoor sex, I love having sex in places where you can get caught; I like the whole excitement of it. The first time that I was more dominant with a guy was ►

PHOTOGRAPHY: HARRY LINDEN www.pinkfever.com

► with a boyfriend who likes ass play. Some guys don't like to admit it, but I've done that with a few guys, usually with older ones who are more open to that.

**What's your favorite position?**
I have two, actually. I like cowgirl, where you can ride the cock and rub the clit and cum over and over again. My other favorite is doggie because I like being bent over completely with my ass all the way up, and I can rub my clit, and all that good stuff.

**Do you get off in your sex scenes?**
Oh yes. I did a lot more in the beginning, I think just because of the excitement and how new everything was; I got off in pretty much every scene. My personal sex life has gotten much better too. The guy I was seeing told me I was more sexual than I was before, and got better at giving head too, so that's a plus.

**Do you remember your first scene?**
I do, it was an In the VIP shoot for the Reality Kings website. They hire 200 extras, all girls, and they rent a space out, and they film all these girls hooking up, but the main scene was me, Savannah Gold and a guy called Josh. The girls can do as much as they want; the scenario is that a guy goes in the VIP room, he meets a couple of girls and he gets lucky. So that boy/girl/girl scene was my very first scene, and I was very nervous, but it was exciting and I was ready for it. Savannah was very sweet. I remember not really knowing how everything worked behind the scenes, and when I was in make-up, Josh followed me into the bathroom and started fucking me, and I was enjoying it, but the make-up artist got really upset because I didn't realize I had to save my make-up and my hair. It was great, though! It's not just sex on camera – you'll get some direction to do a position or two, then they want you to stop for stills or to move. You get into it, you get momentum and then you stop, take some pictures and start and stop again. It's especially difficult for the guys who go up and down, up and down, can't cum and have to stay hard to get the job done.

**Do you like working in group scenes?**
I don't like working in groups because it's just a madhouse, and I can't really enjoy it. In *Big Boob Orgy* for 3rd Degree there were like 30 girls and 15 guys, but we only had to fuck three or four guys, as long as we were always busy. I'm more of a one-on-one, or a threesomes girl – I can get more turned on by that. One person concentrating on me, me concentrating on them, there's more

> "I LIKE COWGIRL – YOU CAN RUB THE CLIT AND CUM OVER AND OVER AGAIN"

heat and more involvement. I did a scene with two guys – John Strong and Michael Stefano – in *New Chicks Cum First 5*. It was my boxcover shoot.

**Who do you think gives better head – men or women?**
I've had both be really, really good, and I've had both be really, really bad, so I don't think it's a matter of gender. It all depends on how much they're into it, how much I'm into it, mentally where I'm at. If they're phenomenal, it doesn't matter where I'm at – eventually I'll just explode. I've been with both men and women who were equally talented.

**Do you prefer scenes with people you've worked with before, or new talent?**
I generally prefer working with someone I've worked with before, because over time I've had a few bad experiences, where in the beginning it was all new and exciting. Now I'd rather know what's ahead of me. There's still times when I don't know who I'm working with, and most of the time it turns out really good. I did a European magazine where I posed with this British guy Danny Mountain for a sex toy. It was a thing where you could do different positions, and we got so hot and so horny, but we weren't supposed to fuck, and it was really hard.

**When's the last time you had sex?**
It was with Barrett Blade for *Naughty America*. Me and Barrett dated for about a minute. He's a good guy, and we're still friends. He booked the scene when we were together, then after asked if I still wanted to do it. I said, "Are you kidding, it will be that much hotter!" It was a lot of acting for me actually with a big intro. I think they wanted soft and sensual but it ended up being really, really hardcore, and they were okay with it because it was so hot.

**You're appearing in our pages with Barrett, and that looks pretty hot too!** ►

That was the very first time we worked together! Barrett saw me at Adultcon and wanted to work with me. He'd been trying to get me out on a date but I was always too busy, but he gave me a ride that day, and we started hanging out.

**From hanging out to going down – please describe a Brooke Belle blowjob for us.**
The cock should be hard first – and it would be, if we're already doing something. I like to tease the cock, play with it outside the pants, see how big it is, how hard it is, and I put my lips over it, blow hot air on it, then slowly take it out. I'll lick it first up and down the shaft, around the head, play with it. Make it really hot, and want to feel my whole mouth all the way around it until he can't take it any longer. That's when I start sucking his cock, and I'll do it slow at first and I'll choke on it, I'll spit on it, I'll gag on it a lot; I'll keep it down my throat, and make him fuck my face. I'll play with his balls, and I'll pull it out of my throat and let the drool dribble down. Then I'll lick and play with his balls as much as he'll let me. I jerk his cock with my hand a little bit, and then with both my hands and my mouth at the same. By then, he's either going to cum or fuck me, or he can fuck my titties for a little bit if he wants to. If I'm giving a good blowjob, I want to taste his cum. Whether we end up fucking or not, I want to taste it.

**Do you like the taste?**
I've never spit out cum in my entire life. For porn, I'll gurgle it and let it drip out of my mouth down my chin. I like swallowing it. I prefer it on the lower half of my face just because I don't like it in my eyes – I have sensitive eyes. I like it messy, I like it dirty; you can shoot it anywhere. Tits are fun, ass is fun; I like it on my asshole. Dripping down my asscrack, that's fun. If only I were flexible enough to reach around and lick it off my ass!

That was the very first time we worked together! Barrett saw me at Adultcon and wanted to work with me. He'd been trying to get me out on a date but I was always too busy, but he gave me a ride that day, and we started hanging out.

I'll lick it first up and down the shaft, around the head, play with it. Make it really hot, and want to feel my whole mouth all the way around it until he can't take it any longer. That's when I start sucking his cock, and I'll do it slow at first and I'll choke on it, I'll spit on it, I'll gag on it a lot; I'll keep it down my throat, and make him fuck my face. I'll play with his balls, and I'll pull it out of my throat and let the drool dribble down. Then I'll lick and play with his balls as much as he'll let me. I jerk his cock with my hand a little bit, and then with both my hands and my mouth at the same. By then, he's either going to cum or fuck me, or he can fuck my titties for a little bit if he wants to. If I'm giving a good blowjob, I want to taste his cum. Whether we end up fucking or not, I want to taste it.

**Do you like the taste?**
I've never spit out cum in my entire life. For porn, I'll gurgle it and let it drip out of my mouth down my chin. I like swallowing it. I prefer it on the lower half of my face just because I don't like it in my eyes – I have sensitive eyes. I like it messy, I like it dirty; you can shoot it anywhere. Tits are fun, ass is fun; I like it on my asshole. Dripping down my asscrack, that's fun. If only I were flexible enough to reach around and lick it off my ass!

**You can't do it all – other people need jobs too! Who are your favorite performers to work with?**
I like Tommy Gunn because he's really sweet, he totally enjoys sex and he'll go out of his way to make it a great scene. I also like working with Justin Magnum – he's kind of in and out of the business, and I dated him for another minute of my life. For girls, I like Angie Savage – she's a doll. I like Kendall Brooks. We worked together in a boy/girl/girl, and she took me home to her boyfriend afterwards. We had fun all night, and have been friends ever since.

"I CAN START OUT CRAZY OR PASSIVE, BUT EVERY TIME IT ENDS UP HARD"

**Have you learned anything new from working in this industry?**
Giving better head, choking on it more, deep-throating. I'm totally open to try anything once!

**What type of sex scene do you prefer – soft and sensual, or rough and hard?**
I like both. I like it to start soft and sensual with a lot of foreplay and then end up hard. No matter how it starts, it ends up fucking hard every time. I can either start out really hard and really crazy in the beginning, or I can start out passive, but every single time it ends up hard.

**How do you stay in shape?**
Work really keeps me in shape, and I like going to the gym. I'm athletic so I don't have to do much, but I do work out. I have an elliptical in my house; right now it has clothes hanging on it! I run and play with my puppy, and that keeps me in shape too.

**Do you dance in clubs?**
I don't, but I'm probably going to start. I've got a pole in my spare bedroom, and I can do a couple of tricks. I can climb the pole, but I've got to get in better shape. It's hard work, but it's totally worth it.

**Do you like to meet and greet your fans?**
Yes, it's always such a trip when people recognize me, especially in some ordinary venue. It's pretty fun, it's cool.

**Where can your fans find out more about you?**
My website is at www.BrookeBelleLive.com. My fans can also find me at www.myspace.com/BrookeBelle520, or they can send mail to: PO Box 17216 Saticoy St., Van Nuys, CA 91406. ♣

# KAYDEN EXPOSED

*WHEN SEX STARS ARE SCREWING, OUR GUY ACME ANDERSSON IS SCRUTINIZING, NOTEBOOK IN HAND. YES, NOTEBOOK.*

Kayden loves to eat her salami alfresco!

PHOTOGRAPHY: SINDEE COXX AND ADAM & EVE

It was only a matter of time before Adam & Eve contract performer Kayden Kross got to star in her first titular feature, and that's how your trusty *CI* correspondent came to witness the making of *Kayden Exposed*. This gem features the busty blonde in two boy/girl scenes, as well as an excellent supporting cast including Tori Black, Jana Jordan, Lorena Sanchez, Sammie Rhodes and Rebeca Linares (who receives a solid DP). Not a dud in the bunch. I was fortunate enough to watch three scenes being shot, beginning with one of Kayden's...

While finding the filming location may have been difficult, landing at the secluded Malibu ranch is well worth all the twists and turns when the first thing one sees is a completely naked Kayden.

Kayden crosses the fake grass to where Erik Everhard is waiting, hardness in hand, evidently eager to get started. She gives Erik's thick dick a quick suck, then climbs atop it, her perfectly clipped cooch surrounding the shaft. The couple start fucking away like the sex stars they are. Pretty soon Kayden's screaming and yelling in ecstasy as she grinds desperately on that dong. Finally she can stand no more, cums loudly, then collapses to her side. Deciding to let her rest, EE lays KK on her back and does the heavy lifting; pummeling her from the side and above as she massages her clit in rapid circular motions. Her big tits bounce to the beat as she takes Erik's thrusts. He's focused on his stroke, and it isn't long until Kayden's repeated "Oh fuck!"s signal yet another climax. She's beautiful *and* multi-orgasmic!

The couple continues in the same position – why not, it seems to be doing the trick – and Kayden's body starts to quiver. Her moans turn to growls as she cums once more on Erik's rod.

Kayden decides to get back on top of her man, this time in reverse cowgirl, which means her big bouncers and clit-rubbing technique are on full display for the camera. But not for long. In under two minutes she's fallen to the side, Erik's cock still ramming her as she writhes in ecstasy, unable to speak, just making primal sounds of pure pleasure.

Once Kayden's finally pulled herself together, she gets on her hands and knees so Erik can mount her from behind. He reaches around and plays with her clit as he nails her, and she squeals with delight, her hands digging into the faux grass. Holding steady as he grabs her by the waist, she climaxes one more time. Then it's his turn. He tops her in the classic missionary style, and she quietly begs him to cum.

**KAYDEN EXPOSED**

**STARRING:** Kayden Kross, Jana Jordan, Lorena Sanchez, Sammie Rhodes, Rebeca Linares, Tori Black, Evan Stone, Erik Everhard, Steven St. Croix, Tony De Sergio, Alec Knight

**DIRECTED BY:** Andre Madness

► "Please, please, please!" Kayden begs urgently, her voice getting louder. "I want you to – please, you're making me cum... cum with me!"

With that, Erik pulls out his dick, blows a wad on Kayden's trimness, slips it back in and fucks her for a minute just to make sure she's satisfied, and they kiss to close out the scene.

For this, they get paid. Imagine.

The following scene starts out with Tori Black and Evan Stone both dressed in suits.

**"YOU LIKE THAT PUSSY?" TORI TAUNTS. "GET GOOD AND DEEP IN THAT FUCKIN' PUSSY!"**

I'll explain – Evan's suit is a well-tailored, double-breasted, black job, while Tori's is what is best known as a birthday suit, also double-breasted, and certainly tailored to our taste. The two are sitting on the edge of a fountain. Evan fingers her a bit, then she spins around, putting her legs over his shoulders and her twat smack in his face. His tongue quickly winds its way through her dual holes, licking and lapping, before he lays her down, continuing to lick and finger her until she cums... And then cums again. A fine start!

Rather than remove his suit, Evan simply unzips his pants, whips out his long slab of beef, and lets it find its way to Tori's pink spot. He starts fucking her slowly, spitting on both his cock and her pussy for lube, and undresses as he works his way into her vag. Finally, feeling the constraint of his pants, he removes them, even tossing aside his shoes and socks. It's time to get down to the nitty gritty.

Tori gets on her back to receive a good ramming. Evan tells her that her pussy's tight, then calls her a slut. "Yeah, you like that pussy?" she taunts him, before being momentarily rendered speechless when he fills her completely. Recovering herself, she demands, "Get good and deep in that soft fuckin' pussy!" To help out, she throws her legs in the air, and Evan hangs on to her feet for balance, thrusting steadily.

Then Tori pushes Evan over. Clambering atop Evan, Tori hovers over him, letting him do the thrusting as he's lying down.

"That's right, fuck my pussy, make me cum... You like that?"

He does indeed. But it's not Tori's orgasm on Evan's mind – it's his own. He calls for a rare break before asking her, "Where the hell have you been all my career?"

They resume quickly, and Evan titty-fucks Tori, who commands, "Rub your fuckin' dick all over my body!" Who could resist an offer like that? Not Evan, who works his way up her body until his king-size balls are in her mouth, and his dick is in her hand, working her into yet another frenzy. "Bend me over and fuck me," she says. "Give me that fuckin' hard dick, and fuck me!"

Splashing water over Tori, Evan snarls, "Stretch that fucking pussy with my cock. Is that what you want? You want me to fill that little pussy with cum?"

They segue into a standing doggie, Tori using one hand to stay steady and the other to pull her asscheeks apart, further exposing her girlhole to his grandness.

"You like that? Omigod!" Tori exclaims. "I'm so fucking wet now! Fuck my pussy!" Splashing her with more water, Evan pummels her faster and faster as she continues ever more frantically, "Make ►

Kayden seems to be enjoying Steven St. Croix's porno valeting service!

that pussy cum! Make that pussy cum! You feel that deep in my pussy?"

Tori takes top next, reverse cowgirl, raging, "Yeah, give me that fucking dick! Bang that fucking pussy!" Evan snakes a hand around her to play with her clit. She shakes through another orgasm, then resumes riding with fury. "Give me that fuckin' dick! You love making me cum, don't you?" She shakes and rides some more, her pussy visibly contracting as she cums. "Right there! That's it!"

Deciding that he's earned his pop too, Evan gets Tori on her back and fucks her further. "You want to cum in my mouth?" she asks. "I'm kind of thirsty. I want you to cum in my fuckin' mouth!" So, unleashing a caveman grunt, Evan finally pulls out, then blows his white load into her pink mouth. She swallows with an "Aaahhh!" as he squeezes out a couple of extra spurts. Good to the last drop!

The next scene features three scorching ladies, two of whom are blondes: Jana Jordan and Sammie Rhodes. The brunette, Lorena Sanchez, prepares to make the most of this, her final scene ever (it may not be billed as such, but in a quiet aside she lets slip this little nugget of information).

Three couches are set up for each girl to put on an individual show that includes undressing, self-fondling, and just a little beyond. Then all three converge on the center couch, Sammie on the right being licked and fingered by Jana, and Lorena on the left, licking Jana, who's on all fours.

"YOU WANT TO CUM IN MY MOUTH?" TORI ASKS. "I'M THIRSTY. I WANT YOU TO CUM IN MY MOUTH!"

"I have a really good idea," Sammie tells the girls, then reaches around the couch to pull out a bundle of dildos. She inserts a purple toy into Jana doggie-style.

"Put it in as deep as it goes," Jana murmurs dreamily.

"Bring your fucking ass to me," Sammie directs, and Jane pushes back onto the tool, which sinks deep into her puss.

"I love it!" Jana screams "I fuckin' love it! Right there, right there, *rightthere!* I'm gonna cum!" and she gasps, mouth agape, eyes wide open, before the other girls take turns sucking her tasty juices off the dildo.

"I think you need to get fucked," Sammie tells Lorena. "How do you want it? Want me to bend you over?" She's agreeable, and Jana works a glass dildo into her cunt while Sammie plays with her hair and spanks her ass. Sammie spreads Lorena's buns as the latter slides back to work her clit. When Sammie bends over to lick Lorena's ass, that gets Lorena collapsing in climax, her face crashing down onto a cushion.

That leaves Sammie, whom Jana and Lorena begin to kiss and fondle. "I haven't been fucked," Sammie points out, and the girls respond by pulling out a long, ribbed, glass dildo. "Oh yeah, grind that fucker in my tight ass," she tells Jana, who spits on her ass, then slides it in. "Deeper, please," Sammie requests. Lorena reaches around and does her work on Sammie's twat while Jana controls the dildo. "Oh yeah, fuck me hard like a dirty little whore – just like that!" Sammie orders Lorena to put her fingers in her pussy, and it's the resulting spontaneous DP that gets her off once and for all. "I wanna feel every inch of it going in and out – *ohhhhhh!*" There it is – the proof that three truly is a charm.

And that, friends, is how it all went down when your faithful correspondent visited the set of Adam & Eve's *Kayden Exposed*, more information on which you can get at www.adameve.com. ♣

Guys! Now you can say goodbye to chilly helmet syndrome, thanks to Kayden's new patented cockhead warming technique!

# BLOW BY BLOW!

## ELIZA STARR TALKS WITH SOME GIRLS WHO SUCK – IN A GOOD WAY!

After a bit of last-minute drama, the first ever Exxxotica New York show took place Friday through Sunday, September 12-14, 2008, at the New Jersey Convention and Exposition Center, at Raritan Center in Edison, New Jersey. Yes, I know – a New York show in New Jersey? The original venue was just across the Hudson River, where apparently you can still say you're New York – after all, the Giants and the Jets do! When they moved the show south of Newark, it was too late to change the name – the signs were made, the tickets printed, and besides, Exxxotica New York just sounds more appealing than Exxxotica New Jersey (sorry Garden Staters, but that's the way it is). In the end, an Exxxotica show by any other name would still be as hot; and sure enough, the shindig turned out to be a supremely sexy success. There were girls on poles, in cages, on stage, in beds and on swings; stage shows and seminars; contests and sellers of T-shirts (including Gina Lynn and her line of Skin clothing), corsets, sex toys and DVDs. Yours truly, Eliza Starr, was also there. I found it entertaining, educational (I said there were seminars!) and, above all, erotic, thanks to the girls. Oh yes, the girls! The A-list, the B-list and the DD-list were all there; I picked up hugs and kisses, grabbed a few asses, squeezed a few boobs, oh, and I carried out the assignment *Club International* had given me: to ask the girls to describe their special blowjob style. The lusty ladies were charming, sexy, willing and able, and some fans listening in even volunteered their boners for a live demonstration, but we didn't go that far. I admit, though, that some of the descriptions were so hot, there were moments when I wished I had a dick to offer up as well!

A pizza-loving guy once told me there was no such thing as a bad pizza – it's just that some pizzas are better than others. Well, I'm sure all you gentlemen out there feel the same way about blowjobs as well: even a not-so-good one is still pretty great! And if you could be lucky enough to get one from any of these lovely ladies, you'd know what a first-rate one felt like! Here's how each girl responded when I asked them to describe their personal blowjob technique...

## PRINZZESS

WWW.MYSPACE.COM/PRINZZESSSAHARA

I like to flick my tongue over the top while I suck it, and rub the balls while I'm at it. *(Mmm...)*

## JOANNA ANGEL

WWW. JOANNAANGEL.COM

There's only so many different ways to give a blowjob. There's only like five things you can really do, and I probably do all five of them! I use my hands a lot – I guess that's my personal thing. I can't give an extreme blowjob, my mouth doesn't hold that much. I try, but I gag so I use my tongue and my hands a lot; it's an old-fashioned thing, but it really works every time. There have been no complaints! Sometimes I try to do something a little more extreme, but that feels like I'm trying to do something that I'm just not good at.
*(I was trying to figure out what Joanna wouldn't be good at...)*

## DR. VICTORIA ZDROK

WWW.PLANETVICTORIA.COM

Well, the main technique is you make sure that you get the balls involved. The girls often forget about the balls, so you've gotta get to the balls – and your hands in there too. The hands have to be moving around. I usually do prostate stimulation at the same time, even if it's very light. Those are the keys. Other than that, enthusiasm, and lots of it.
*(And those are the doctor's orders!)*

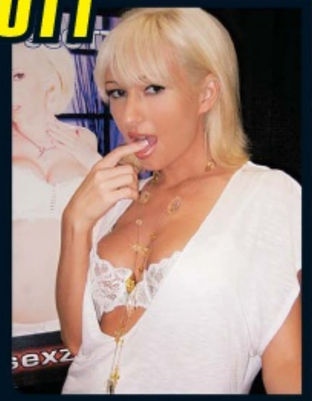
## ALEXIS AMORE

WWW.CLUBALEXIS.COM

Mine is all about caressing and saying papi and a lot of stroking, and trying to choke a little bit on it so you can get more saliva, and then using your tongue and make sure you're licking his balls.
*(At this point Alexis continued saying sexy little phrases in Spanish while running her hands up and down her body – at least I imagine they were sexy phrases, but who cares? She's hot, and we drew a crowd!)*

# HILLARY SCOTT

WWW.XXXHILLARYSCOTT.COM



Well, I'm always a very messy blowjob artist. I use lots of spit, and I do this two-handed twisty thing. I always use two hands – I have the whole cock gripped so it feels like a tight, wet pussy, and I spit on it so it's nice and wet too, then I swallow the entire cock because I'm capable of such things, and I get it all the way down my throat. Can't ignore the balls – cup the balls and tickle them a little bit. I think I'm a pretty good blowjob giver – and an award-winning one in fact!
*(Survey says, Hillary Scott is a blowjob artiste and there wasn't a soft cock within hearing!)*

# SUNNY LANE

WWW.SUNNYLANELIVE.COM

My personal blowjob style is very sweet, sensual and very sexy. I have a super-long tongue *(she sticks it out and proves it!)*. It's very nice, so I know how to work the cock like a lollipop. I lick it from the tip all the way down to the shaft, and tickle the balls and come back up. I like to feel the cock grow in my mouth, because we are controlling that. It's all about pleasure in the right areas.
*(And Sunny decorates my left breast with one of her sunnylanelive.com stickers, providing some pleasure in one of my areas!)*

# COURTNEY CUMMZ

WWW.COURTNEYCUMMZLIVE.COM

My personal blowjob style is the same as on camera: hands together, deep-throating, spitting, throat-fucking, but I don't always swallow – I do a lot of facials instead. *(On or off camera, Courtney's got style!)*

# PAOLA REY

WWW.CLUBPAOLAREY.COM

WWW.PAOLAREYXXX.COM

I think it needs to be really wet and slow, and I like to be always looking at the guy's eyes. For me that's my perfect blowjob.
*(For any guys lucky enough to be on the receiving end, I imagine it's their perfect blowjob as well!)*

# BREE OLSON

WWW.BREEOLSON.COM

Hard, fast, deep and sloppy. Those are my descriptive words for my blowjob – I love them! *(And so would any guy on the receiving end!)*

# ANGELINA ARMANI

*DIGITAL PLAYGROUND CONTRACT STAR*

WWW.MYSPACE.COM/ARIANNAARMANI

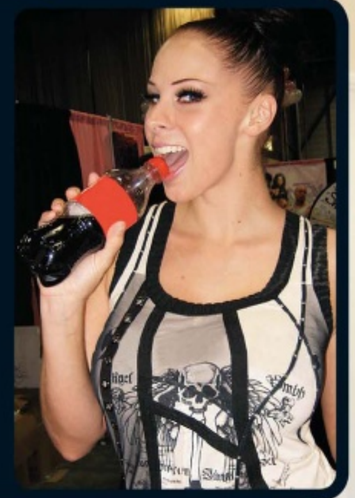
First of all I always start with a little bit of spit on the cock, and I like to stroke it. I like to start stroking it really slow, work my way up and build him up, then go really, really fast.

I gotta lick it a lot. You got to lick his balls, then slobber all over it, and then start deep-throating. It's so sexy – oh my God, I just love to get that cock way back in my throat; it's amazing. And then you start gagging on it, and then you go faster, and you get such an adrenaline rush. And oh my God, I just want that cum shot right in my eye. There's nothing sexier than red eyes, baby! *(Angelina was sitting on a sofa, running her hands up and down her legs, up her skirt while relating this. If she was wearing panties, they were soaking wet!)*

# GIANNA MICHAELS

WWW.XXXGIANNA.COM

You want me to do it with your microphone here, just stick my mouth on it? Ha ha! It depends on whose dick you're sucking, I guess. If it's a little one you might use the two-finger technique, or you might need two hands for some of them, you never know! It just depends on the chemistry, and how the people are treating you and how you feel like treating them at that time. *(Guys: Treat Gianna nice and you'll never regret it!)*



# AUDREY BITONI

WWW.XXXAUDREYBITONI.COM

I was just thinking about this the other day! My special blowjob style is to move my entire head with my mouth, to make the motion all blow. I kind of think I get a better response when I do that for my guys. *(Audrey really thinks about her blowjobs – although probably not as much as the guys who get them!)*

# FLOWER TUCCI

WWW.FLOWERTUCCI.COM

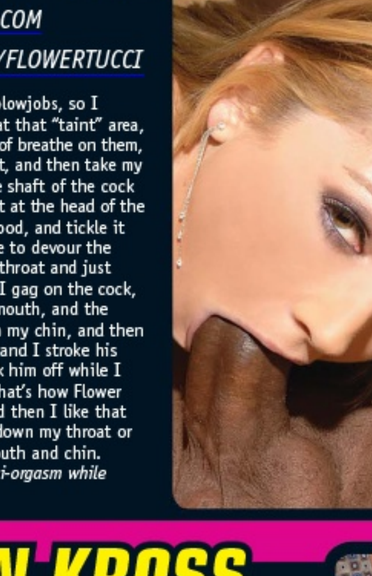
WWW.MYSPACE.COM/FLOWERTUCCI

I like really, really sloppy blowjobs, so I usually like to start down at that "taint" area, and kiss the balls and kind of breathe on them, maybe suck them a little bit, and then take my tongue and go right up the shaft of the cock right for that little tip right at the head of the dick where it feels really good, and tickle it with my tongue, then I like to devour the whole cock deep down my throat and just drool all over it. The more I gag on the cock, the more spit I get in my mouth, and the more drool that drips down my chin, and then I get it all over my hands, and I stroke his balls and his cock, and jerk him off while I suck that nice hard dick. That's how Flower Tucci likes to suck cock and then I like that big load going right deep down my throat or all over my pretty little mouth and chin.
*(Wow! I actually had a mini-orgasm while listening to Flower!)*

# KAYDEN KROSS

WWW.CLUBKAYDEN.COM

On screen or off screen? *(Off screen please, since we get to watch you work on screen.)* Off screen there's not as much to see, because my mouth is on that dick. I do the twisty hand thing, I hold the balls because that's how I measure if we're getting close or not to that whole orgasm thing, so I have my little ball-o-meter down here, and I do the little twisty thing with my hands, and I have my thumb right here along the exact middle of the shaft so it goes like this, and then I do a circular thing below the head and over the head, below the head and over the head, and all around, and then I speed up and get a little more suction going, and I speed up, and then the balls come up and it goes *bam* all over my face!
*(Ball-o-meter – hey, I like that! Who knew Kayden had such a scientific mind to go with that killer body? She's a true star!)*



# GINA LYNN

WWW.GINALYNN.COM

I like to lick my tongue all the way up and down while I'm stroking it, really long, and then every once in a while deep-throat it really hard. That works! *(If Gina Lynn was sucking on your cock, what* wouldn't *work?)*

# JESSE JANE®

WWW.JESSEJANE.COM

Spit on the cock, start stroking it with both hands, playing with the balls until it gets harder and harder in my hand, and then I'm going to spit stringers on it, and get the cock extra fucking wet and shove it so deep down my throat until I'm choking on it, and I pull it out with extra stringers, and then I'm going to suck it until it blows all over my face!
*(Jesse got all this out in about ten seconds without taking a breath!)*

# ROXY DEVILLE

WWW.MYSPACE.COM/ROXYDEVILLE

My secret to my cocksucking is that I really, really like to suck dicks, so I do it with love, and I use lots of tongue and lots of spit and I caress the head with my hand as I'm sucking, and I like to just get into it, and I've cum many times just giving blowjobs. It's a whole lot of fun. *(A blowjob that satisfies both the giver as well as the receiver? Roxy has the power!)*

# PENNY FLAME

WWW.CLUBPENNY.COM

The Penny Flame blowjob is a very hot, a very smoking, a very sexy, fat fucking joint! *(Penny Flame will fire you up!)*

# GIANNA LYNN

WWW.GIANNALYNN.COM

I love to focus on the balls because I always feel that they're neglected, so I always tease them up a little bit and stick my tongue up their testicles and swirl it around a little bit, then run my tongue up the shaft and then get a lot of spit going on, and start slowly working the tip, and I like to deep-throat a lot. Deep-throating is very important to me. Then get some twisty hand action going, so it's like a blowjob/handjob. I think it's very important to give a really good blowjob, it gets the guy to cum really quick. I love it! I love sucking cock – it's my favorite!

# SUNNY LEONE

WWW.SUNNYLEONE.COM

It's sloppy, sucking, nice and warm. I try and deep-throat all the time – sometimes it doesn't happen! I take the dick and I stick it in my mouth and I love it! *(Sunny wasn't sure if we wanted a serious response or a funny one, and thought we should ask her boyfriend to describe it instead. No offense, D, but I preferred hearing Sunny talk dirty!)*

# NIKKI JAYNE

WWW.NIKKIJAYNE.COM

I like my face to be fucked. I like to get the cock deep into my throat and then when it pulls out there's lots of spit, I like it messy.
*(Nikki Jayne is a divinely dirty girl – with a sexy English accent!)*

# HANNA HILTON

WWW.HANNAHILTON.COM

I have a horrible gag reflex and can't deep-throat, but I like to use my hands and my mouth and make it warm and wet and I stroke and suck; it's hard to describe, I just do it!
*(Hanna prefers having sex to talking about it, but it just wasn't the right place or time, so we had to compromise.)*

# TEAGAN PRESLEY

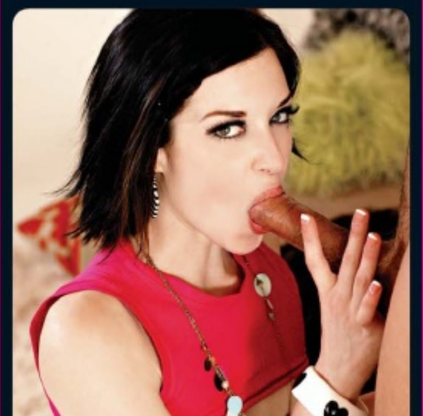
WWW.MYSPACE.COM/TEAGANUNLEASHED

My BJ style depends on what the guy likes and what kind of chemistry we have, but it's always wet and warm, and has a happy ending.
*(Teagan's not a dirty talker, but that's okay – we have pictures!)*

# STOYA™

WWW.MYSPACE.COM/STOYABOT

At home I give blowjobs like it's a game called "Find out what buttons the dude likes having pushed." Have a little fun, explore, tease until it's harder than most of the bones in their body. Then I stop and hold their orgasm ransom until they give me amazing oral sex. *(Gotta love a girl with a plan! I'm going to remember that ransom tip!)*



You can sit with your dick in your hand waiting for next year's show, or make plans to attend Exxxotica Miami Beach, May 8-10, 2009. For more info, visit www.exxxoticamiami.com. My reservations are already made, so maybe next time we'll be talking about licking pussy! ♣

# CINDY

Cindy's the kind of girl we could never tire of. The lady's plain gorgeous, and, hey, can we talk about those tits of hers? Yes, let's. Because Cindy's got a truly fantastic rack. Her knockers are big, but not overly so; just made for kissing, licking and generally slobbering over in an undignified, but appropriately appreciative, manner. We suspect they're not entirely the work of nature, but do we mind? Would you, if they were right up in your face?

"Yes, I'm not one to brag, but my titties do seem to drive men wild," Cindy confessed to us in her sexy mid-European accent (she's from the Czech Republic). "It's amazing, really. All a girl needs is a nice pair of boobs, and she's got men – how do you say? – eating out of her hand. Honestly, you men are so easy to please!"

Yep. And we love being that way. ♣

NIKKI&CLARK
HOT VIDEO

Make no mistake, Nikki loves her man Clark. She's eager to prove it every chance she gets, by worshiping at the altar of his cock. It's just that one cock alone is never enough for the horny hussy, which is why she keeps several plastic extras around the house for whenever the occasion demands – which is often. Whether those fucksticks are flesh or fake is all the same to Nikki, just as long as they're packing her holes the way she so earnestly enjoys. And Clark's happy with his lady's habit of stockpiling sex toys. It's either that, or he'd have to invite a couple of buddies over to satisfy Nikki's appetite for cock – and they'd need beer. ♣

### FAQ About Xomax

**Q.** How soon do you see results ?
**A.** Most men see results with their first dose and increasing results over 60 - 90 days.

**Q.** Are the results permanent?
**A.** For most men, if Xomax is taken continuously for three to four months followed by a maintenance program the results are permanent.

**Q.** How much growth can I realistically expect?
**A.** Up to 5 inches or more with a increase in width of 50%

**Q.** Is Xomax natural?
**A.** Xomax is 100% natural, safe and Doctor recommend for those looking for advanced penis enhancement, plus Xomax has no side effects.

**Q.** What makes Xomax the #1 natural penis enhancement formula?
**A.** Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Xomax contains extremely expensive imported ingredients and many manufacturers won't spend that kind of money. Instead, th ey pass off less expensive ingredients, such a Ginseng or low end forms of L-Arginine.

**Q.** Is Xomax guaranteed to work?
***A.** Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within two months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. So remember that the genuine ingredients in Xomax are GUARANTEED to work! Order today – the best money can buy!

## WARM VIBES!

We bisexual chicks often hang out with likeminded ladies, not so much for sexual reasons as because we just click. That's how it is with me and Eva. Of course, it doesn't hurt that good friends also make good lovers, and occasionally a nice girly fuck comes as part of the package, as on that Saturday afternoon last summer.

The funny thing was that I'd stayed over at Eva's the previous night, and crashed on the couch. Even though we'd slept together a few times over the years, the idea of sex had never entered either of our heads. It had just been two friends having a nice night in. So sunbathing in Eva's back yard on a sunny morning just felt perfectly natural. Sunbathing naked, even. It was nice and secluded, and the sunshine was scorching. What the hell, right?

Eva had spread a big rug out on the lawn. Yes, a rug – which, in the retrospective light of the rug-munching we were about to get up to, was pretty funny. Settling down next to Eva, I immediately saw that familiar lustful look in her eyes, and remembered her once telling me that strong sunshine always got her horny. She ran her fingers along my torso, and, knowing what she was building up to, I let her. She had such a gentle touch, and it set my skin tingling. Then she started stroking my inner thighs, gradually getting closer to my pussy. It was such sweet torment, and by the time her fingers were brushing my slit, I was horny beyond words.

Soon Eva was spreading my thighs wide, then knelt in front of me and began kissing my aching woo woo. I tangled my fingers in her hair, humping against her lips as she lapped at my dampening pussy. I writhed around as she licked, licked, licked, until soon I was on the brink of cumming. And then I was cumming, my cunny muscles convulsing as Eva loudly smacked her lips. That told me all I needed to know about how sweet I must have tasted down there, making me feel all the better.

I was just regaining my senses when Eva retrieved a vibrator from a bag she'd brought out, and handed it to me. So much for spontaneity – she'd been set on sex from the get-go, the nasty little minx, and now it was my turn to pleasure her. Well, far be it from me to disappoint...

I teased Eva's sweet pink clam with that buzzing toy until she was moaning in unbridled ecstasy. Bending down, I managed to simultaneously run the tip of my tongue around her clit, her trimmed beaver tickling my cheek. I gave her clit a good sucking while vibro-fucking her

**I teased Eva's sweet pink clam with that buzzing toy until she was moaning in unbridled ecstasy**

squishy hole. A few minutes of that got her screaming in orgasm until her pussy juices had coated the vibe.

Just good friends, that's me and Eva. Very good friends indeed!

**How about Lucy and Vivien, going lesbo crazy out there in that garden?** What I wouldn't give to be peeping all the action, lurking in a nearby bush while frantically pulling my pud. And for all the shrubbery on show in that garden, there's none on either girl's pussy, I'm glad to note – which makes the whole set-up correlate even more closely to this long-cherished outdoor lesbo peeping fantasy of mine.

To jerk off watching one girl fucking her friend's fuzz-free cooze with that vibrator would get me shooting a bucketful of spunk for sure. So continuing to beat my meat while the second girl returned the favor would probably drain my balls of the following week's supply as well! Should my vigorous masturbatory action produce a lot of rustling noises in my herbaceous hideaway, the girls would be too far gone to notice. They'd be blissfully unaware of the electrifying effect they were having on yours truly. I'd be blissful too, of course. Hey, a man can dream, can't he?

*Vigorous Voyeur, Virginia.*

## HELLO NURSE

★★★★★ GENITAL MELTDOWN
★★★★ HOT STUFF
★★★ A DECENT PORNO
★★ HORNY MOMENTS
★ WATCH A BALLGAME INSTEAD

**STARRING**
Ava Rose, Lexi Belle, Kelly Kline, Alexis Love, Annette Schwarz, Derrick Pierce, Marco Banderas, Alex Gonz, Marcus London, Chris Cannon

**DIRECTOR**
James Avalon

Here, naughty nurses go to great lengths to ensure the health of their patients by dispensing more than just TLC and medications. One such professional is Alexis Love, who gives Chris Cannon a thorough oral examination before checking his cock reflexes in cowgirl and doggie. He passes her test with flying colors, leaving behind a milky deposit for further scrutiny.

Annette Schwarz, another nasty nurse, has never looked as beautiful as when she's tearing into Derrick Pierce's pants to inspect his bone. She begins with slobbery oral offerings, then insists that he boink her butthole in mish in order to get to the root of his problem. Her diagnosis: he's an assaholic!

Ava Rose gets her pussy stuffed in doggie by Marco Banderas. Then Ava rides Marcus London in reverse cowgirl while horny Kelly Kline watches.

Finally, outside on a lawn chair, Lexi Belle allows Alex Gonz to benefit from the healing power of her pussy, leaving him revitalized and her saturated!

**EXTRAS**
Also included is footage of the girls enjoying their downtime, lots of hot photography, a scorching bonus sex scene, and trailers for more movies.

DVD ERIK EVERHARD ENTERTAINMENT

## BREAST MEAT

**STARRING**
Gianna Michaels, Carolyn Reese, Jordan Star, Monica Foster, Riley Evans, Laylah Diamond, Erik Everhard, Marco Banderas

**DIRECTOR**
Erik Everhard

For this two-disc, special edition release, Erik Everhard has selected six hot babes who have one thing in common... humongous hooters! Or should that be two things? Whatever...

The juicy watermelons of Gianna Michaels begin the show in style. She's fit to be tied, literally, as Erik finds her strapped to some stairs. He enjoys a BJ and gets smothered by boob flesh in cowgirl before enjoying some primo titty-fucking.

Erik has no problem getting Carolyn Reese's natural rack bouncing when he tackles her from behind in a well-crafted doggie squat. She later takes charge when barreling down in reverse cowgirl.

Jordan Star holds her own when she's tit-to-toe with Erik, and gets the party started by securing his boner between her breasts and blowing his horn to prep it for her sticky wet hole.

Monica Foster is a wonderful accoutrement to the production, adding color and a whole lot of spice. Dominating the screen from the get-go, she gives Erik a run for his money with her bag of sexual tricks. Laylah Diamond, however, has to be physically set in place by Erik, but gets into her groove once there. A few more cocks ought to do the trick!

Finally, Riley Evan goes buck wild, bouncing on the bones of Erik and Marco Banderas to her heart's content. And, of course, her cunt's content!

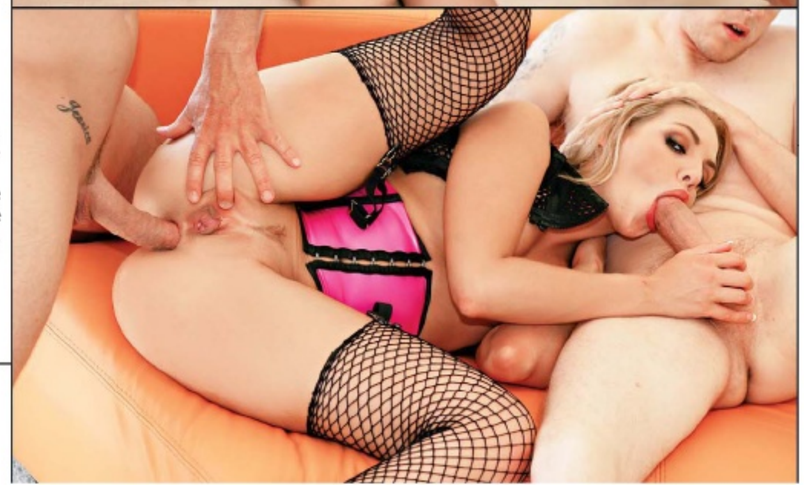
★★★

**EXTRAS**
Also included on the two discs that cover over three hours of coverage are cumshot recap options, a wonderfully presented photo gallery, and an additional hour of backstage fun that captures the girls in candid moments as well as in action. It's jam-packed from start to finish!

★★★

DVD JULES JORDAN VIDEO

# JULES JORDAN'S ASS WORSHIP X



**STARRING**
Annette Schwarz, Aubrey Addams, Julia Bond, Jenny Hendrix, August, Brianna Love, Erik Everhard, Mr. Pete, Kris Slater, Jules Jordan, Rick Masters, Jenner

**DIRECTOR**
Jules Jordan

This special edition double-disc set showcases celebrated ass sluts displaying some of the adult industry's juiciest pieces of rump meat. Annette Schwarz possesses such a butt, which looks especially appealing molded into a latex bodysuit. Erik Everhard and Mr. Pete are quick to peel her out to sample her holes at will, but not before she wildly blows them both.

Pint-sized performer Aubrey Addams (top right pic) proves that good things do indeed come in small packages when she delivers her ass on a platter for Jules Jordan to devour. He does just that, adding more spots to the leopardskin-print sofa when butt-banging Aubrey in spoon.

Latina lovely August (center pic) delivers her first on-camera DP to Rick Masters and Jenner, resulting in a heavenly orchestra of moans and groans. Then bootylicious Brianna Love (bottom, appropriately) spreads wide for Jules and Jenner when they run her through multiple DP configurations, which she accepts with a smile.

Jenny Hendrix gives up her bunghole to Kris Slater in doggie across a barstool in an energetic display, but it's Julia Bond (top left) who sends the temperature soaring when she makes Mr. Pete's cock disappear up her divine derrière again and again!

★★★★

**EXTRAS**
As is customary, an extensive and well-documented look at the girls behind the scenes is included as a bonus, plus incredible photo displays, an in-yer-face cumshot recap option, and a peek inside Jules Jordan's *Trailer Trash Theatre*. That makes over four hours of footage in all! Ass men take note!

DVD DIGITAL SIN

# KEEPIN' IT FRESH

**STARRING**
Memphis Monroe, Ashli Orion, Morgan Layne, Coco Velvett, Brynn Tyler, Mark Ashley, Jordan Ash, Tony DeSergio

**DIRECTOR**
Tyler Scott

Boxcover babe Memphis Monroe and the rest of the fresh-faced cast sizzle as each lady succeeds in enticing her male co-star into taking it one step further. Memphis dominates the screen the moment she enters the frame, bouncing like a champ on Jordan Ash's lap in reverse cowgirl, then letting her titties flop where they may in missionary position. Hot!

Morgan Lane, another stacked blonde (our favorite kind!), gets more than a mouthful when trying to wrap her lips around Mark Ashley's meat. She partially succeeds, before enlisting her pretty pussy to properly swallow the shaft. Then Ashli Orion whimpers like a puppy and fucks like a dog when it's her turn to "keep it fresh." She plays it safe in missionary position with Mark Ashley then turns things around once on top and in charge in cowgirl. Coco Velvett, on the other hand, is rough and ready from the start, despite her diminutive size. She fucks the hell out of Jordan, delivering a delightful ass-to-camera blowjob followed by loads of energetic pussy-splitting action that makes for compulsive viewing.

Brynn Tyler keeps it fresh in her own special way when she gives her all to Tony DeSergio, happily earning his seedy deposit.

★★★

**EXTRAS**
Hang onto your hats, because there's a healthy helping of bonus material offered here! Not only do you get an extra scene, an extensive photo gallery, and behind-the-scenes action, but you're also able to pick your pleasure from a drop-down positions menu. Mix all of that with full-motion menus and erotic trailers for more action, and you've got yourself a party!

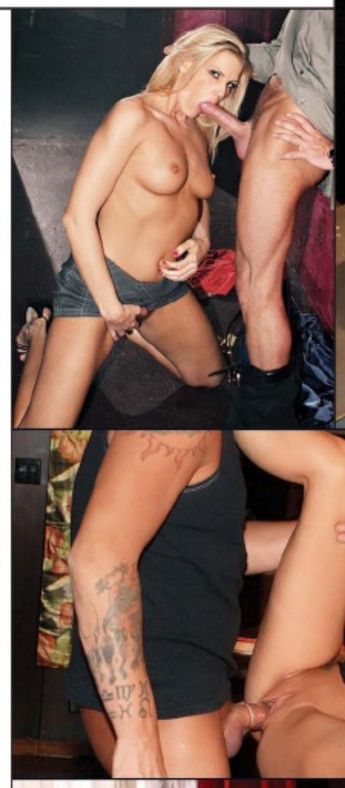
DVD WICKED PICTURES

# PUBLIC SERVICE



**STARRING**
Jessica drake, Dana DeArmond, Kelly Skyline, Daryl Hanah, Lindsey Meadows, Barrett Blade, Randy Spears, Chris Cannon

**DIRECTOR**
David Stanley

Wild sex ensues when cock-crazy cop jessica drake (center) goes undercover as a sexy model to investigate the disappearance of two prostitutes. This page's center pic shows you just how she conducts her research! We also see the missing girls, Kelly Skyline and Dana DeArmond, enjoy their last bang with plenty of slit-slopping and finger-play that includes Kelly getting stuffed four fingers deep, all to the delight of Barrett Blade.

Daryl Hanah is another enticing escort, who does the dirty with Randy Spears, sucking his cock and balls like a champ. Her head never stops bobbing or her tongue lapping until she's covered with man chowder! Jessica then gives Randy the royal treatment by showing up in a naughty cop outfit and giving him a lusty lap dance and titty session, followed by amazing oral offerings, and a romp in cowgirl so sweet she has him moaning with primal satisfaction.

In a classroom, Chris Cannon gets two chicks on his stick for the price of one in the lovely forms of college cuties Lindsey Meadows and Daryl. Together he and Daryl eat Lindsey out before he takes the latter over in mish.

Lastly, jessica takes a stab at Mr Blade in a kitchen, offering up more of her juicy pussy, but really surprises when she gives director David Stanley a sultry striptease in an interrogation room.

★★★★

**EXTRAS**
Jessica knocks it out of the park in a bonus sex scene that's well worth watching. An extensive photo gallery, star stats and a look at the making of the production add to its overall appeal, as do the trailers for more hot titles and the multi-language audio track.

DVD GINA LYNN PRODUCTIONS

# TOP NOTCH BITCHES 7

**STARRING**
Gina Lynn, Asa Akira, Rhylee Richards, Mya McKay, Tiffany Merlot, Lee Stone, Travis Knight, Paul

**DIRECTOR**
Gina Lynn

Hooray for industry legend Gina Lynn, who's done it again by assembling another raunchy roster of fresh newcomers, allowing them an opportunity to fuck their way to stardom.

First up, Asa Akira, in her first boy/girl scene, does herself proud by displaying cock-riding and sucking skills to rival those of porn's top performers. She especially shines while delivering a top-to-bottom blowjob to Travis Knight, then continues to push her pussy to the limit in reverse cowgirl. Gina sets a fine example herself when paired with Lee Stone. She gobbles his knob (bottom pic), and gets manhandled when backed up against a wall to be cock-hammered in standing doggie and cowgirl. Wow!

Blonde bombshell Rhylee Richards spreads her pretty pink open for Travis Knight, who goes in strong from the start by spinning her around in reverse cowgirl (center pic) to show off her magnificent melons for the camera. Nice touch! But it's Mya McKay who proves to be the naughtiest bird in the nest when she hungrily attacks Gina's clit, only to get finger-jabbed by her more experienced quarry. When finished with muff, Mya gets double-stuffed by Travis and a cameraman before walking off the set... wet!

Finally, Tiffany Merlot (top tier pics) gets absolutely porked by Paul while maintaining piercing eye contact and a dripping wet pussy.

Gina has included exclusive bonus footage of her hang gliding naked, as well as loads of hardcore images of the girls in action, cumshot recaps, plenty of impromptu humor, and trailers for more coming attractions. What a woman! ♣

RICK LONGO'S

# '68 PONTIAC FIREBIRD

## GET WITH IT, AND GLOM SOME TRULY TRIPPY TRANSPORTATION!

No bout adout it, 1968 was a swingin' year for American style. The music was groovy, the clothes likewise, and muscle cars were boss. And one of that year's wildest rides was Pontiac's fast and flirtatious Firebird. Among the most modish exemplars of the muscle car era, the Firebird was also one of the most powerful, being hot both on the street and the strip.

Rick Longo has been the proud owner of this wicked '68 Firebird for about sixteen years now. Originally Rick was shopping for an SS-396 Chevrolet Chevelle like the one he'd owned during his youth, when he'd been heavily into drag racing, but on deciding that Chevys were just too darn common, he went hunting a rarer breed of 'bird. What better way for a more mature Rick to hot rod the streets than at the wheel of this classic car.

This baby sure is a true muscle car, with her hood housing a 400 III Ram Air motor capable of generating approximately 425 horses. That motor gets all the gasoline it needs courtesy of an electric fuel pump, while fully functional sleek hood scoops help it breathe with ease. Another of this 'bird's high-performance goodies is the double pump oil filter, ensuring that there's always proper lubrication. When it's time to fire up, there's an MSD ignition aboard to expertly handle the job, and racing headers running to a Flowmaster exhaust give the beefy engine a deep and throaty voice. A reliable 400 turbo trans going to a 4-11 posi rear gets the power to the old school Pontiac wheels, which are dressed up nice in BF Goodrich radial tires. The suspension is set up drag racing-style, so when launching off a traffic light, the front end goes up fast, then proceeds to come down slowly. This 'bird's a sight to be seen when the light turns green!

Entering the interior of this car's an outtasight experience! It's all authentic original trim, with groovy black bucket seats up front and a bench seat in back giving you that true '68 vibe. That's complemented by an ultra-cool console complete with the original stock AM/FM radio. Yes, it's a time-traveling trip in this potent Pontiac!

No wonder Rick loves driving the streets in his vroomsome vehicle. One can only conclude that 1968 was indeed a very good year for American muscle cars, because this 'bird is savage, sweet and the undisputed king of the street!

# The Write STUFF!

CONTINUED FROM PAGE 98

## SPUNKOPHILIAC!

I'll come right out with it – this here girl's a jizz junkie! I just plain love spunk – especially watching the stuff flying out of that pee-slit, all warm and fresh and glossy. Mmmm!

You'd be correct in assuming that my particular predilection usually proves a big hit with the guys – but that's not always the case. I've found that a few men can be downright shy about letting me see them launching their load. Maybe some of you guys could tell me what that's all about, because I certainly haven't got a clue.

Back in my college days, when all of my sexual experiences were casual, guys would often ask me for blowjobs – which I suppose is where I acquired my taste for spunk (and I mean taste literally as well as figuratively!). I became engrossed with watching the jizz jump, and observing the results. Although on the face of it spunk is spunk is spunk, when I'd made a study of

**I swear those dudes would actually be amazed to see their second love load spill out onto my tongue**

the stuff, I found a variety of consistency and flavor that I found fascinating. And very sexually arousing, *bien sur*.

There have been times when I've just fucked a guy, and scooped up his fresh spoo from my snatch with a couple of fingers, which I then licked clean of the stuff. Or I've sucked the spunk off their cocks while they're still going soft. Quite often that used to get them hard all over again. Then, as often as not, *ding ding*, round two would begin! It was like I could do magic! I swear those dudes would actually be amazed to see their second love load spill out onto my tongue, and I'd cum as well, with my fingers swirling their first load around in my snatch.

Sometimes I'd have guys fuck my tits, and I'd get ribbons of the white stuff shooting up before my eyes. A few times I even bunched up a pair of my panties and told the guy to jerk off into them. Once I did this and then wore the sticky panties home on the bus. How skeevy can you get? I knew I probably reeked of jizz, but did I care? What do you think?

And yet I'm convinced that my spunk thing isn't as weird as all that. I'm sure there are lots of ladies for whom nothing quite does it like having a guy fuck them and then, just like in the porno films, pull out at the last moment to spray his spoo all over their bodies. Oooh, the feel of those hot milky jets splashing on your skin... I could go on and on. But I think you get the picture.

*White Witch, Wisconsin.* ♣

**Stelliana, you're a dream come true.** A sucking, fucking wet dream, yet, and I envy that guy doing the nasty with you in February's *CI*. To feel your hot little mouth around my bulging cockhead would be like I'd died and gone to sex heaven, and then to give you a good hard dicking on the couch... I can hardly think of words to express how great that would feel, but "whuuurrrgh" comes close. That's an approximation of the sound I make when I'm launching an enormous load of spunk into a hot chick's mouth, pussy, or even ass. I'd be doing it louder for you, Stelliana, of that you may be sure. *Caveman, Saskatchewan.*

# RESTAURANT ROMP!

**Dear *Club International*,**
When most people go to a restaurant for dinner, the night usually winds down with coffee and a nightcap or two. Well, I'm not most people. What I am is a leggy blonde who's simply dripping with high-class bling. Plus, I'm brazen as all get-out, to boot. It's that shameless streak of mine that recently led to a bout of unbridled nastiness at an uptown eatery.

I'd arranged to meet a male fuck buddy for a late dinner. I'd booked the table for a mere hour before the restaurant was due to close, as it was only to serve as an appetizer for the sexual feast to follow. Well, I was sitting there sipping a Cosmopolitan, getting progressively horny, when my hot date called my cell to grovelingly explain that he'd been unavoidably detained at the office.

"Fine. Enjoy the rest of your life, loser," I told him, and cut him off. Damn. How was I going to shake this cock jones?

A buff waiter in all his liveried glory approached my table. "That's too bad," he said. "May I be so bold as to suggest another drink, miss?"

"You may indeed," I replied, undressing him with my eyes. "But I'd rather you were so bold as to bend me over this table and fuck me senseless." Hey – I told you I was brazen!

"Ah!" the waiter said. "Luckily I'm able to oblige you after hours. Tonight my girlfriend and I have to lock up after the rest of the staff have gone home."

"Girlfriend, huh?" I said. "Interesting... So which one is she?"

"Over there," he said, pointing to a gorgeous brunette waitress. "So are you interested?"

Nodding in affirmation, I pointed at my empty glass and said, "Encore, stud."

Later, when the last staff member had gone, the door locked and the blinds drawn, Henry – that was the waiter's name – assumed an altogether different tone. One I liked. "Okay, babe, assume the position," he ordered me.

"But where's your girlfriend?" I asked, equally as eager to savor her cunt as I was Henry's cock.

"Here she comes now," he answered.

I turned to see her walking towards us from the far end of the restaurant – completely naked. Nice.

**HER CUNT WAS IN FRONT OF MY FACE. IT WAS PRETTY CLEAR WHAT SHE WANTED, AND I WANTED IT TOO**

Wordlessly, I did as Henry had asked. I wriggled out of my panties, and pulled my skirt up around my waist to give the studly waiter a good look at my smooth-shaven gash and tight buns. "Oh yes," he said with relish. Then he unzipped his pants and pulled out his swollen piece, the head of which he started bumping against my pussy lips. I gasped as Henry gently eased his helmet inside my slit. I gasped more when he started quickly popping it in and out of my cooze. As he did so, his girlfriend Lucy – to whom I was never formally introduced – hopped up onto the table and slid in front of me with her legs spread wide and bent at the knees. Then she inched her way towards me until her cunt was directly in front of my face. It was pretty clear what she wanted, and I wanted it too. Burying my face in her pussy, I drank deep, lapping and smacking my lips as I did so. By now Henry was plowing me gently but deeply, and it felt fucking awesome. Every so often he'd grab my hips and vary the speed of his strokes. The first time he did so I withdrew my tongue from his girlfriend's cunt and rammed three fingers into her wet poon. Letting out a yelp of pleasure, she started thrusting herself harder onto my digits. Then a look came over her face that said she was about to cum – and seconds later she did, in a blur of quivering flesh and squirting juices.

As his girlfriend lay in front of me with her eyes closed, panting, Henry suddenly said, "You ready?"

"Am I ever," I replied, emphasizing that remark by slamming backward so that his balls slapped against my pussy. That's when Henry finally went into overdrive, slamming his cock in and out of my cunt with a ferocity that took my breath away. Then I began tingling from head to toe as one of the mot amazing orgasms of my life exploded in my cooze, flooding my entire body – at the very instant that Henry filled my cunt with jizz.

# FAKE IS THE REAL THING!

**Dear *Club International*,**
I'm a red-blooded man, and I don't mind admitting that I love huge titties. It's a controversial opinion, but my favorite ones are, without a doubt, fake boobs. I know most other guys like the real deal, but for me, fake's the way forward. Hell, it's the only danged way!

Maybe it comes from the first pair I ever felt being fake; I loved how they felt in my hands – big, heavy balloons of fuck fun. That pair was on my next door neighbor in my home town, and ever since getting my hands on her hangers, I've never looked back. I guess that's part of the reason I like "adult publications" so much – there's always a few pairs of enhanced knockers in them.

Recently, I banged a broad who had the perfect body – including those surgical enhancements. She was about my height, near on six feet tall, with long legs and blonde hair, and a pair of firm, round whammers that I just had to get my mitts on.

We met at the museum where she works; I'd just stepped in to get out of the rain for a minute, and we got chatting, then flirting, then it was lunchtime, and one thing led to another...

I live fairly close to the museum, so what with it being raining and all, we went back to my place. I put on some coffee, and, as we were both soaked, I went to fetch towels. When I tossed Julie hers, she took her top off and started rubbing the moisture off her soaked skin. Well, my rod stiffened right away. I'd thought we might fool around a little, but this I hadn't expected! Smiling sweetly, Julie asked if it was okay that she take her wet clothes off. I returned the smile and said, "That's just fine..."

"We'd best get you out of those wet clothes too..."

► she replied. She must have had some kind of declothing ray on her person, because I swear, I was naked with a rock-hard boner in no time flat.

"I'd like to get a taste of that," she said, eyeing my prick while stepping out of the last of her uniform. That left her in just her undies, those magnificent jugs barely restrained by the fabric of her bra. I knew right then I was going to fuck her tits – I just had to. The tit god had spoken.

**THOSE MAGNIFICENT JUGS WERE BARELY RESTRAINED BY HER BRA. I KNEW I WAS GOING TO FUCK HER TITS**

Kneeling in front of me, Julie took my cock deep into her mouth – and then on into her throat, looking up at me the whole time. As soon as I felt the weight of her tits on my knees, I thought my balls would let fly the whole load, but I managed to hold off; I started thinking about bees, which often helps me to delay orgasm.

Julie cupped my balls and worked my shaft, playing with her cooze outside her panties as I watched. Dammit, I had to pull out, or risk spilling my load way early. She stood up, and we kissed. When I immediately got my hands on her huge hooters, her reaction told me she liked having them squeezed as much as I enjoyed squeezing them.

I took off Julie's bra, and got my fingers on her erect nipples as I pushed my tongue into her mouth. Her tits were perfection itself, and the surgeon who created them an artist.

I led her to my bed, where I lay down, and she climbed on top of me. I knew that way I'd get to watch those melons rock and roll as she rode my pole, and rock and roll they most assuredly did. She fucked like it was going out of fashion, sliding up and down my rod until she came, hard and gasping, her cunt squeezing down on my cock like a vise as I groped her massive jugs.

How I'd managed to keep from cumming for this long, I still don't know. But Julie clearly knew as well as I did that we couldn't push our luck too far. She rolled off me, onto her back, and murmured, "Go for it, tiger!"

Straddling Julie, I plowed my enormous erection between those heavenly globes as she squeezed them together. Her cunt juice was all the lube I needed as I fucked back and forth, and she even managed to take some cockhead into her mouth as I moved. What a woman!

Eventually – after all of 30 seconds – I shot my load all over her neck and titties, roaring as I came.

# ANAL MON AMOUR!

**Dear *Club International*,**

I was loving the way this chick's butt was shaking and shuddering as her pussy slid up and down my pole. The piece of ass in question goes by the name Jennifer, and she was riding my rocket reverse cowgirl-style, so I could get a handful of that curvy rear as it eclipsed my horn. I spread her buttcheeks and thumbed her crack. She groaned when I corkscrewed a couple of fingers into her butthole.

"Oh fuck, I want your big cock up there – stick it in my ass!" she pleaded.

Jennifer's potty mouth is one of the two things I like most about her, the other being her peachy derrière. And when you find a chick who likes to take it up the dirtbox, that's well worth writing down in a letter!

"You want it? Tell me you really want it!" I snarled.

"I so want it. I want it in the ass!" Jennifer purred as her cunt muscles released my bone. I gripped the two hemispheres before plunging two fingers into the mouth of her secret canal. Well, it was about to become a little less secret. The hole itself was tight, but inside her most intimate cavity she was nice and roomy. I suppose we were both loosened up by the amount of alcohol we'd drunk.

On this occasion I decided I was going to loosen her up a bit more, and slipped out to the bathroom for a tube of lube. When I returned I was welcomed by the wonderful sight of Jennifer sprawled spread-eagled on the bed, strumming her sexual binary system – cunt and asshole! Lifting her legs, she grabbed my semi-stiffy between her feet, before taking me in hand and stroking me hard. My dick was still sticky from her pussy cream. "Make it hard," I panted as I fell onto my knees, my boner pointing like a divining rod towards her mouth.

**"OH FUCK, I WANT YOUR BIG COCK UP THERE – STICK IT IN MY ASS!" JENNIFER PLEADED**

Now, Jennifer's a chick who also loves to give blowjobs. Really, really good ones. She'd get down on her knees and worship my totem pole, her lips and tongue casting their spell, until my snake had uncoiled right down her throat.

"Yeah, suck it – keep on sucking it," I hissed as I grabbed hold of her hair, the better to fuck her face. ►

I held Jennifer tight, her face buried in my pubes. Then after ten seconds or so I let go. Her head recoiled from my schlong, and as she gasped for air, I made a dive for the cleft of her ass. You'll know what I mean when I say she smelled like a real woman. I rimmed her puckered portal, probing her starfish with the tip of my tongue. Her musky flavor always made me horny.

She was crouched on her knees, her head buried in a pillow, her ass sticking up in the air, the fine hairs that lined her fissure all matted with my spit, her brown eye winking like a pulsar. A beautiful brown star. I squeezed some lube onto my fingers and rubbed it over my taut helmet. Then I squirted out another wad of the cool jelly, which I massaged into Jennifer's yielding anus.

I slid my solid meat down the crevice between Jennifer's greasy globes, until my cockhead was nudging her anal flower. Holding her hips steady, I pushed forward, squeezing my helmet into her flexible sphincter. Just my helmet, so far. But her asshole had relaxed now, and she reached around to guide my probe towards her gaping black hole. "Please fuck me," she whimpered.

As soon as I felt her heinie-hole spasm I gave it one brutal lunge and drove my love rocket deep into her dark matter. I was inside her most private place, and she screamed the house down. "Fuck me, fuck my ass!"

Frantic to screw Jennifer senseless, I soon let rip. My hips thrusting back and forth as my cock pumped her rump, her elastic ring clinging to my shaft as I piledrived her tush; faster, harder, deeper, filling her fundament to the hilt, until Jennifer was reduced to a trembling wreck desperately clawing at her clit, a mad bitch howling at the moon.

Her orgasm was a riotous rollercoaster ride ever threatening to shake the protein from my balls, but I clung on, teeth gritted until her maelstrom had passed. And as soon as her clenched rectum released my cock, a shower of my spunk splattered down like shooting stars all over her quivering booty.

Definitely something to write home to the wife about!

# LEZ BE FRIENDS!

**Dear *Club International*,**

You've heard the saying "Blondes have more fun"? Well, as a blonde myself, I'd most definitely agree with that. And so would my blonde fuck buddy Cecile!

Cecile and I are very compatible, both of us having blonde hair and pronounced lesbian tendencies. We met almost a year ago in an uptown juice bar. I'd just completed my morning circuit at the gym when Cecile popped in for a breakfast refresher. I was already seated when she showed up. She had legs that went on forever, a lovely pair of pert tits, and a face that deserved to have my pussy ground hard into it. As I looked at Cecile it was as though she could read my mind, because she winked, and, once her juice was ready, came over to join me – even though I was the only other customer in the place. She instantly proved that shy was something she could never be accused of being. "You look kind of hungry," she said. "For pussy – my pussy!"

"Hmmm, the no-cal, fat-free option," I replied, echoing her sassiness.

After a bout of laughter, Cecile said, "Well, my place or yours?"

"Yours," I answered.

Back at Cecile's apartment, I'd barely stepped through the door when she suddenly pushed me up against a wall and hitched my skirt up around my waist. Then she thrust a hand inside my panties and sighed, "Mmm – nice and wet!"

I quivered as she slipped two fingers inside my slit, and started working them in a circular motion. "Take my panties off," I urged her.

Cecile literally tore my flimsy panties from my body, then stuffed them in my mouth. Then she pulled out her fingers and dropped to her knees so that her mouth was level with my sopping wet pussy. "Oh yes," she said. "Even more luscious than I'd imagined." With her tongue buried deep inside my hole, I moved a hand down and started rubbing my clit. But Cecile flicked my hand away, saying, "I'm in charge for now, uh... I don't know your name."

Pulling the panties from my mouth, I said, "Laura."

"Nice name. Get ready for this, Laura," my new blonde friend replied.

Then Cecile jammed a couple of fingers into my pussy, and really plowed it. I lost all control, screaming, "Jesus, you dirty fucking slut, I'm gonna cum!"

And I did, squirting a jet of warm pussy juice into Cecile's grinning mouth.

When I'd stopped shaking, Cecile said, "Sofa, now – and strip!"

I'd never been ordered around so much in my life, but I was loving every second of it. As I got undressed, so did Cecile. Then she lay back on the sofa, legs splayed, and said in an even more demanding tone, "Eat me, you slut! Eat my cunt like it was your last meal on Death Row!"

I almost burst out laughing at her remark, but held it together long enough to bury my face in Cecile's mound, and started living the fantasy I'd had about her back at the juice bar. I licked up and down her sticky slit for a few moments, but I wanted to do more than chow down

on cunt. So I reached into my gym bag, and pulled out a huge glass dildo (why I carry it around with me is another story, LOL). I gently parted Cecile's pussy lips, which released a tiny trickle of juice. Then I slammed the

I LOST ALL CONTROL, SCREAMING, "JESUS, YOU DIRTY FUCKING SLUT, I'M GONNA CUM!"

glass beast home, and boy did she sigh and moan. Seconds later the volume of her noises increased, indicating that she was on the verge of cumming. So, increasing the speed and intensity of my actions, I drilled the dildo deep into her cooze. Seconds later her entire body started spasming. She screamed, "Yes! Yes! You gorgeous bitch! Do me! Do me!" then started slapping one hand hard on the back of the sofa while the other one gripped the side tightly to stop herself from slipping off, as she shuddered violently from the waist down. Her juices gushed from her gash, filling the room with their delectable sweet scent.

It was a little while before we both fully recovered from our fabulous fuckfest, but when we had, Cecile suddenly disappeared into another room. When she returned, she was brandishing a double-ended dildo that she waved at me, saying, "You ready to go again, babe?"

I was, we did, but that's yet another cum-drenched lesbian sex story.

# A FRUITFUL ENCOUNTER!

**Dear *Club International*,**

They say you sometimes meet the sexiest men in the unlikeliest places. That was certainly the case recently in my local convenience store one hot afternoon, while I was trying to decide which fruit to buy. This gorgeous guy struck up a flirty conversation about testing flesh for ripeness. I could tell from the way he looked at me while he fondled the fruit, that his thoughts were more on my ripe tasty assets! This hot stud, Earl by name, wasted no time in inviting me back to his place to sample a fresh fruit salad, can you believe it! Well, it would have been rude not to!

We were on Earl's sofa, and his hands were gentle but insistent as they found their way to my already juicy lovebox. I encouraged Earl to pull aside my wet panties and finger my dripping cunt while I wriggled in anticipation. It didn't take Earl long to get me naked. He admired my long strawberry blonde hair and pert tits as he ate my pussy. His skin was as smooth as velvet, and I couldn't get enough of him! We were still on the sofa and I gasped in delight as he proudly unzipped his fly. His big, fat, veiny schlong sprung out to attention right away. The discovery that he'd been going without uderwear all that time turned me on even more! For a moment I was transfixed by the size and girth of his manhood. As he sat there proudly displaying his trophy tool, I took my time licking his muscular chest before working my way down his torso to where he really needed my attention...

If there's one thing I love almost as much as fucking, it's worshiping a good meaty cock. I take great pride in always giving good head. It's just what I love to do, and men really seem to appreciate the attention I give them. As I set to work on Earl's raging stiffie, I was enjoying keeping him just on the edge of shooting his load. My hands glided over his love pump, gently pulling back the foreskin and rubbing in all the right places till he moaned with pleasure. I

PHOTOGRAPHY: VIV THOMAS www.vivthomas.com

As he sucked on my rigid nipples, I rubbed my clit hard against him, and came noisily. Jesus, how I came!

But it didn't stop there! I was still shaking from my thundering orgasm and still attached to his prick as he lifted me up off the couch and carried me over to the kitchen counter. Scattering fruit all over the place, he laid me gently back on the counter, and licked my sopping cunnie some more. Then he got me down off there so I could suck my juice from his prick, before bending me over the

MY HONEY JUICES RAN DOWN HIS TOOL, LUBING IT UP NICELY FOR SOME RIGHTEOUS FUCKING

alternated between little short lapping movements of my tongue around the super-sensitive head of his nine-inch wonder, then made the most of licking slowly up the full length, as though licking a delicious corn dog. All the while I kept eye contact with gorgeous Earl, which I could see was driving him to distraction. Before very long I was simply aching to get that beautiful beast of a boner in my box!

"Yeahhh... You sure know how to love my meat, baby," Earl drawled huskily, "and believe me, this here dick is gonna love you right back!" I did indeed believe him. Neither of us could stand the suspense any longer – we just had to fuck, and fuck hard!

I slowly eased my throbbing pussy down onto his ramrod with a delicious squelching sound. My honey juices ran down his tool, lubing it up nicely for some righteous fucking. Wiggling my hips, I rode that beast cowgirl-style to seventh heaven, feeling my orgasm mounting rapidly, and Earl groaned each time my soaking pussy took in every inch of his love shaft.

counter and ramming his full length home, doggie-style. God, I loved every inch, every moment, of him pounding me to my second knee-trembling orgasm! I felt his dick quiver as he pulled out and shot great ropes of creamy spunk all over my back and butt. Then I grabbed a nearby strawberry and, dipping it into his cock cream, took great pleasure in eating it in front of him – which he loved, of course! If that's his idea of a fruit salad, I'm definitely going back for a second course!

READY, AIM, FUCK!

PHOTOGRAPHY: VIV THOMAS www.vivthomas.co.uk

It often goes this way over at Nick and Trinity's place – a quiet night at home with a bottle of wine spontaneously segues into a full-throttle sex session. That's Nick and Trinity for you. When he follows the dictates of his dick, and she answers the call of her cunt, red-hot fucking's the only game in town. There's nothing for it but to clear a space on the table, get Nick's prick primed and loaded, and aim it at the target that is Trinity's tempting twat. Then it's wham, bam, thank you ma'am, thanks again, and wham, bam some more. Then maybe a blowjob, and then... Well, you can see for yourself how these horny householders enjoy their free time.
